

THE 21 IRREFUTABLE LAWS OF LEADERSHIP

Be A Leader

LEARN TO LEAD

Be A Leader is an opportunity to come around the table with a group of leaders and potential leaders to study leadership and growth principles. The 21 Irrefutable Laws of Leadership “Be A Leader” class will focus on three of the twenty-one leadership lessons from the corresponding book:

- » The Law of the Lid
- » The Law of Influence
- » The Law of Big Mo

When you participate in this group learning experience, you will watch and listen to John Maxwell teach on the three laws as Mark Cole, CEO of the John Maxwell Company, gives practical application lessons from each law. I will then facilitate a group discussion and you will be able to share your key takeaways from these lessons. **This promises to be the most insightful, productive and engaging break you have ever had!**

Be A Leader sessions typically run 45 minutes-one hour. You may book a private session for you and your team, or you may contact me to inquire about joining one of my open sessions.
